eneloop Rechargeable Batteries

eneloop

Save money & protect the environment

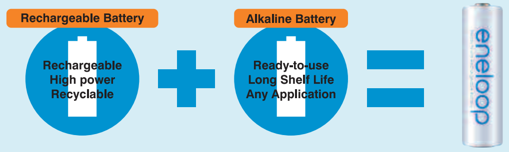

eneloop combines the advantages of rechargeable and alkaline batteries. SANYO has drastically reduced the self-discharge effect for eneloop and consequently offers optimum energy storage of 85% of the capacity still available after 12 months. Subsequently eneloop was the first rechargeable battery to be supplied charged when you buy it.

Take up to four times as many pictures with your digicam using eneloop.

Do you use your digital camera with expensive single use batteries? Switch to eneloop, and you could be taking up to 4 times as many pictures. Especially in applications with high power needs, eneloop is far superior to alkaline batteries. Thanks to eneloop, you won't have to keep changing your camera batteries.

eneloop - combining cost efficiency and environmental compatibility.

Certainly the clearest advantage of eneloop over disposable batteries is that it can be recharged 1,000 times and then recycled. For example, if you discharge eneloop once a week and then recharge it, you'll have 19 years of use. In the long run, this is not only more economical, it also avoids the problematic waste presented by 1,000 batteries.

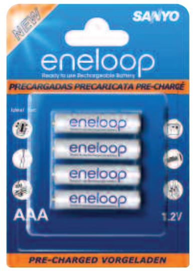

eneloop is ready to use straight from the packet

HR-3UTG-8BP
Size AA - 2000mAh Capacity
8 Batteries per Pack

HR-3UTG-4BP
Size AA - 2000mAh Capacity
4 Batteries per Pack

HR-4UTG-4BP
Size AAA - 800mAh Capacity
4 Batteries per Pack

HR-3UTG-4UTG-8BP
Size AA - 2000mAh Capacity - 4 Batteries per Pack
Size AAA - 800mAh Capacity - 4 Batteries per Pack

MDU01-E-2-3UTG
USB Travel Charger
& 2 AA Batteries

MDU01-E-2-4UTG
USB Travel Charger
& 2 AAA Batteries

MDR03-U-2-3UTG
Quick Charger
& 2 AA Batteries

MQN04-U-4-3UTG
4 Piece Overnight Charger
& 4 AA Batteries

ENE-POWERPACK
4x AA batteries, 4xAAA batteries, Quick Charger, C and D size battery adapters

eneloop impresses with extended service life.

Retains 85% of the power after a year - just charge and leave until you need them!

NCS-TG C
Size C Adaptor
2 Adaptors per Pack

NCS-TG D
Size D Adaptor
2 Adaptors per Pack
